

Coming back to Dance

My dance group has moved to a new place. The dance teachers and sessions will stay the same.

When I come in to dance I can put my coat on the rail and my bag and drink in the wooden boxes

This is the dance studio. The room is large with a black padded floor. I will have lots of space to enjoy dance.

India

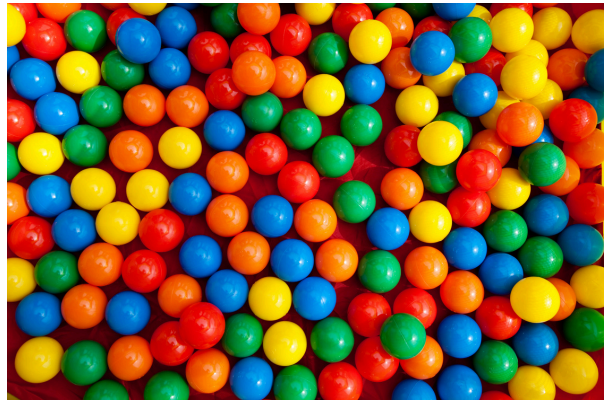

AJ

At Dance, I have 2 dance teachers, India and AJ. They can help me learn moves if I want too, or I can just play

Josie

At Dance, Josie from Ladybug Lodge is also there. I can play with her if I want too.

At Dance, There will be different props each week. The props might be: XXXXX

There are other children at Dance, I may know some of them already from other groups. Everyone is very friendly!

Mum, Dad or my Carer can join in with the dance session or they can sit and watch. I can choose on the day.

If I need the toilet at Dance, there are 4 toilets I can use. There are sinks to wash my hands.

The hand dryer is turned off.

When Dance is nearly finished, I will be given a 5 minute warning and we will start a cool down. Once Dance has finished I can get my belongings and get ready to leave
