

EARLY WEAVES

Easy Read Guide

Scene Breakdown

Performance Information

Early Weaves has 7 sections.

SECTION 1 is called
'Discover'

Willow and **Weave** travel through the audience and enter the space. They discover the different ways they can play with the **willow**.

SECTION 2 is called
'Adventure'

Willow and **Weave** go on an adventure as they imagine they are exploring water!

SECTION 3 is called
'Catch the Fish'

Weave catches a fish that is hard to pin down.

SECTION 4 is called '**Rise**'

Willow plants a seed which transforms into a balloon and lifts her into the air.

SECTION 5 is called '**Orchestra**'

Willow and **Weave** explore all the musical instruments they can turn the willow into.

SECTION 6 is called '**Wands**'

The Claves turn into wands. They explore shape and transformation but this makes **Weave** exhausted.

SECTION 7 is called '**Imagination**'

They both explore what else the willow material could be. A mirror, a tennis racket, a lollipop. Then we invite you to play and imagine too!
